

Rex's Big Day Out 5th June 2011

It's time to get that British classic out again for a run in the country on beautiful well maintained roads with lots of interesting things to do and see.

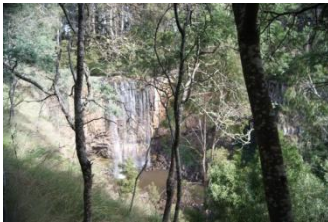

Meet at the North end car park of the BP Service Centre at the intersection of the Calder Freeway and Holden Road, Calder Park, at 9.15am for 9.30am departure. See location map attached.

We will travel up the Calder Freeway to visit

PitruZZello Olive Grove & Vineyard at 25 Deverall Road Sunbury for morning tea & a tour of the olive processing plant.

We depart the Grove and Vineyard at 11am and travel for around 1 hour through beautiful scenery past

Trentham Falls and the township of Lyonville to the Old Macaroni Factory at 64 Main Road, Hepburn Springs where we will enjoy a lovely pasta lunch at

Lucini's Historic Pasta Cafe. If time permits, we can take a tour of the old Macaroni Factory or perhaps visit the many Antique stores in and around Daylesford.

In order to assist with catering etc we need to know numbers attending by Monday 30th May. So all those members who want to get that classic car out to clear the cobwebs following on from Fly The Flag and want to go on Rex's big day out, please contact Rex or Deanna on 9795 7669, Mobile 0408 303 129 or email rha41579@bigpond.net.au.

Run detail sheets and maps will be provided on the day.

Thanks to Members Andrew and Pat Swann for the venue suggestions, we are sure you will all enjoy!!.
