CAR CLUB PRODUCTS AS A PRIZE

During a recent Wine tasting night a prize given was that of the detailing of a members car by Alan Phelps who supplies discount car cleaning products to Clubs. Terry Whitehead was fortunate enough to win this prize and judging from a recent letter from Terry he was extremely happy with the preparation and work that was done on his car by Alan turning it into a gleaming clean presentable automobile.

Alan Phelps who supplies various materials for cleaning cars at a very good price can be contacted on 9700 7709 or after hours on 0413 765 028. Alan provides a wide range of various detergents, Tyre and bumper paint as well as materials for plastic and leather.

We recommend that you give Alan a try and we are certain that you will be pleased at the end result.

We went BOWLING

Members Cars. Aston Martin. 1967 DB6 Coupe
6 Cylinder, 4 litre capacity. All alloy construction
with wet sleeve liners. Twin overhead camshaft.

325 BHP

This DB6 was purchased by a London syndicate direct from the plant in Newport Pagnell & shipped to Malasia. The designated owner was believed to be the Sultan of Johore Baharu. The car was imported from Singapore in 1981 & purchased by Ross & Pat in 1982. The mileage at that time was 28,528 & it has travelled approx. 15,000 miles over the past 16 years. It is in absolute original condition except for a bare metal repaint in 1982.

The value of Aston Martins declined in the late 80's but is now significantly improving.

A pleasure to own & to drive.

Aston Martin...Owners Ross & Pat Wolstenholme
