Christmas...January notes

This magazine is a shortened holiday version. The editor is up to his ears in the Great Australian Rally and needs time to come up & breathe. A dose of the dreaded WOG does not help.

Lots & Lots of planning for the rally, lots of meetings, lots of talking to senior marshalls, rally entrants, suppliers, council & police, media & sub committees etc. A very busy time to put together a Rally of 600 cars starting from three locations with a big half way morning tea stop let alone the problem of putting it all together at Mornington Racecourse.

We will be covering the general public parking as well as the entrants parking.

6 gems from the Lindsay Fox Collection have been selected & will be on display.

The Rolls Royce car club will also be displaying about 40 of their cars.

Both City of Casey & Mornington Mayors will be taking part as rally entrants as will be the President of the RACV.

This will be a great day, made even better by the participation of the All British Classics Car Club members in their many roles. THANK you all.

Last Great Australian Rally made \$45,000 for the Hospitals, lets see if we can better that.

Have a great rally

Frank Douglas. Club President & Rally Organizer.
