## **GREAT AUSTRALIAN RALLY**

# **REPORT**

**Well after 12 months planing & considerable effort from the 150 marshals & officials we finally got to the great day. A trifle on the hot side but it was better that rain.**

**All up we had 600 entries starting from 3 venues & coming together at the Hastings Marina before the final run to the Mornington Racecourse.**

**With minor hick ups only the starts all went well. The morning tea stop was excellent & all enjoyed the cuppa. Aircraft giving an overhead display was an excellent plus to the various displays & facilities.**

**We got all cars into Mornington & with the facilities being used by all it is proving to be a good venue. Next year we will probably raise the car numbers again adding more to the challenge & we hope more for the hospitals..**

**A great effort by all our team & a special thanks to each and every one who put in the time & effort.. Thanks.**

**We may have the financial report for the next magazine.**

.....

**This magazine is a brief one as there is only so many hours in the day & believe me I have been using up lots of them. Next month we will be back to normal.**

**Don't forget the Annual General Meeting, come along & maybe take on some role**

**Frank Douglas. President.**
