### **A SPECIAL ANNOUNCEMENT!**

A large number of us enjoy the digital way of photographing activities during club events. With the convenience of the digital camera and computers, we have a wonderful opportunity to easily share our photos with other club members. On Friday 3<sup>rd</sup> of September we will be doing just that! Our Committee is desirous of re-introducing the annual club dinner, and the occasion for that will be our Gala Slide Night. This year it will be held at the Lilydale International Club.

The International Club has kindly offered us the facility to view our slides via a high-end, quality projector on a large screen while enjoying a two-course dinner. The slides will be shown in large format, brilliant colour and with seamless transitions from slide to slide.

Our evening will commence at 7:00 pm with a session of rolling images of club activities on the screen while we are enjoying the first course of our Annual Dinner. Then, between courses, there will be a presentation showing some of the photos taken on a recent visit to India. Topics presented include images: of traffic in Mumbai, Delhi and Indor; of a Hindu-Roman Catholic family wedding, of an interesting visit to Goa; and finally, images of a 200-plus collection

of ex-Maharajas' motor cars. A small part of the *Rolls Royce Room* is shown here. After the presentation, the second course will be served while more club activity slides will be shown.

So, come along and join us for an exciting evening where our photos can be admired and, maybe some of them, laughed at. The details are as follows:

The Indian wedding photos show some sensationally colourful costumes worn by the women. The car collection has to be seen to be believed, and the traffic scenes are full of interest for all.

We look forward to you joining us for this special Friday evening Club Dinner.
