#### **Some Important Points**

Be sure to make some changes to your diary. The most important being our Social Planning Meeting, which will now be held on Sunday 6<sup>th</sup> November.

Another event to make careful note of is our annual Christmas Luncheon Run. This time around, it is being held in the Mount Evelyn area at the well-known Chateau Wyuna, at 170 Swansea Road.

In addition to all of the foregoing, there is the introduction of another club's event, the Jaguar Car Club of Victoria will be hosting its annual Concours and Display Day on Sunday 27<sup>th</sup> November. Always a good event to look in on and enjoy Jaguars of all models. But don't forget our own event on this day!

There are some events scheduled for the remainder of the year, for which the Editor of *Your ABCCC News* has no information yet. Event organisers, please get this information in as soon as you can.

Please note that this edition is late due to unexpected illness which included loss of voice for over a week.

### **EVENT REPORTS**

#### **PHIL'S TOURING DAY OUT – Sunday, 25<sup>th</sup> September 2011**

##### **Yarra Valley At Its Fabulous Springtime Best**

This was a splendid day out, under the guidance of Phil Cook, who had just returned from an Asian business trip. We met at the car park for the huge Harvey Norman complex in Nunawading – more than a bit relieved to find that Phil Cook had returned from his travels in time to take up his station as event leader!

We had a good read of our instruction sheets and set off up Springvale Road, right to the northern end, where we made a right hand turn to Warrandyte and on to Kangaroo Ground, we continued on to Watsons Creek where we stopped for a look at the Antique Store and Café and enjoyed a great Morning Tea.

We then proceeded on to Toolangi via Yarra Glen. At Toolangi, in the Tavern, we sat down to a lunch that demanded full concentration. It was that good!

From Toolangi, we coasted down Mount Slide to Healesville. There we were given an amazing demonstration of the art of Glass Blowing. After witnessing the complex skills of the glass blower, some of us purchased the result of his skills

Our collective thanks to Phil for making such interesting arrangements on our behalf. A most satisfying day out indeed!

#### **ROSALIE'S AND PETER'S RUN TO NOOJEE – Sunday, 9<sup>th</sup> October 2011**

Unfortunately due to lack of interest we have cancelled this years "Indulgent Weekend" - hopefully to return next year. We did, however, replace this event with a pleasant Sunday drive to Noojee.

We met in the car park of the Whitehorse Civic Centre, Whitehorse Road east of Springvale Road, Nunawading, for a 10:00 am departure. The route took us to Yarra Junction, where we stopped for morning tea. Then we headed to Noojee along Little Yarra Road, a rather special scenic drive through picturesque countryside, which from *Pea Soup* was a very pleasant drive. Arriving at Noojee we assembled for lunch at the Outpost Restaurant (Outpost Toolshed Retreat). It was a lovely lunch, in very pleasant surroundings.

It was wonderful to have David Peck's Daimler Majestic along for the run. Our Rover certainly enjoyed the day out and special thanks go to Peter and Rosalie for making all the arrangements on our behalf. Hopefully, next year we can indulge again!
